

Avery Dennison AWF 1500 Series Paint Protection Film

Safeguard the True Colours of Vehicles' Painted Surfaces

Avery Dennison AWF 1500 Series Paint Protection Film is an excellent way to safeguard vehicles' aesthetic appeal and market value.

Featuring a premium quality polyurethane (PU) film, Avery Dennison AWF 1500 Series Paint Protection Film offers protection against stone chips, road debris, insect stains and weathering, without degrading the original paint colour. It is easy to apply, and ultra-conformable to rigid surfaces.

APPLICATIONS:

Wrapping of full body or high-impact areas of cars, vans, buses, trucks, trains, trams, motorbikes and recreational vehicles

KEY FEATURES:

- > Specially designed for automotive, RV, marine and architectural markets
- > Superior optical clarity
- > Outstanding durability and outdoor life
- > Excellent UV, temperature, humidity and salt-spray resistance
- > Available in gloss or matte finish

KEY BENEFITS:

- > Provides invisible protection against damage caused by stones, insects, liquids and dirt
- > Protects and enhances original colour and appearance of painted surface over an extended period of time
- > Transforms the appearance of traditional paint to a matte finish when using PPF matte
- > Fast and easy to wrap, allowing for repositioning with no loss of tack and no residual tack
- > Top coat remains clear and colourless for up to 5 years
- > Exceptional anchorage on facefilm, with no risk of crackings on adhesive layer during stretching and elongation
- > Easy maintenance

Product Name	Product Code	Thickness	Width	Length	Durability
1500 PU Gloss	AL5001	203 micron (include top-coat)	1.52m	15m	5 years
1502 PU Matte	AL5003	203 micron (include top-coat)	1.52m	15m	5 years
